

OUR YEAR AT A GLANCE:

GreenAllies Student Network

In 2016, we empowered and educated students to lead environmental sustainability efforts:

- **181 students** from **22 colleges** attended our annual GreenAllies Conference
- **19 states** represented in the GreenAllies National Project Challenge
- **32 student-led initiatives** inspired by GreenAllies support and strategy
- **200 high school student volunteers** worked at the Althouse Arboretum
- **11 students** enjoyed Community Internships with the GreenAllies program

GreenAllies Programs at The Althouse Arboretum

In 2016, we empowered and supported students to change their world starting in their own community:

- **3,082 individuals** participated in **36 environmental & outdoor programs**
- **295 Student Leadership participants** logged **1,310 hours** leading programs
- **1,500 children** trained by more than **100 high school & college students**

The Althouse Arboretum

In 2016, we were responsible stewards of open space, providing the facilities and support for today's community members to enjoy it and tomorrow's environmental leaders to put their ideas into action:

- We estimate **3,990 local residents** enjoyed the Arboretum May - November
- **1,982 miles logged** by participants walking on the trails
- We estimate almost **20 individuals** enjoy walking through on any given day
